

FOOTBALL WORKOUTS—Football workouts got underway here Monday morning for the Pipers with the first workout in full pads scheduled for Friday morning. The Pipers will host a Meet the Pipers Night Saturday evening starting at 8 p.m. with an intrasquad scrimmage. Getting ready for the scrimmage are: left to right, Thomas Gonzales, Paul Reynolds, Mike Hymer and Stanley Jones. The Pipers will open the season here with Stamford, Sept. 3.

VOL. 71, NO. 42

PRICE 14¢

Football Ticket Sales to Start Monday, Aug. 23

Football tickets for all Piper home games will go on sale here Monday, Aug. 23, according to B. V. Newberry, principal. The tickets will be available in the principal's office in the high school building.

All fans who have had reserved seat tickets in the past will be able to purchase the same seats again this year during the period of Aug. 23 through Friday, Aug. 27.

The District 7A executive board has set the ticket prices for the coming football season and there will not be a discount for advance reserve seat tickets this year. The tickets will be \$2.00 per game or \$10.00 for the five home games.

All reserve seat tickets will be \$2.00, either bought in advance or at the game. Student general admission tickets will be \$1.00 and adult general admission tickets will be \$2.00.

Fans who want the same seats this year as they have had in the past may call the high school office at 576-3624 or 576-3625 and the tickets will be held to be picked up later.

The five home games this year are: Sept. 3, Stamford; Sept. 10, Abilene Wylie; Oct. 8, Knox City; Oct. 15, Paducah (homecoming); and Nov. 5, Crowell.

STUDENTS START AUG. 23—

Teachers Start Back To School Monday

It will be back to school time for teachers Monday as the Hamlin Independent School District gets geared up for the opening of school Monday, Aug. 23. Teachers will begin in-service training here Monday morning at 9:15 with a general faculty meeting in the high school study hall.

Dr. Rex Kyker, professor and head of the department of Communication at Abilene Christian University, will be the guest speaker.

All high school students will register for fall classes on Thursday, Aug. 19, and eighth grade students will register on Friday, Aug. 20. All other students will report for the first time on Monday, Aug. 23, the opening day of school.

The schedule for registration on Thursday calls for seniors to report between 9 and 10:30 a.m., juniors between 10:30 a.m. and noon, sophomores between 1 and 2:30 p.m., and freshmen between 2:30 and 4 p.m. Eighth graders will report between 9 and 10:30 a.m. on Friday.

These students will pick up their schedules, books and be

assigned lockers. All students are requested to take a pencil or pen to registration.

Because of a state ruling, no student will be charged any fees this year and workbooks will be furnished by the school. Students will be required to purchase a replacement for any workbook lost.

A number of new teachers and employees will be in the school system this year and a number of changes have been made in the placement of teachers throughout the system.

New teachers and employees in the system for the first time are: Larry L. Gaines, high school math; Mrs. Sandra Gaines, migrant; James A. Lisle Jr., junior high coach and social studies; Mrs. Rhonda Lisle, second grade; Keith Barrick, head basketball coach and math; Ralph W. Armstrong, high school math and science; Cleatus Bollier, CVAE; Mrs. Bonnie Duncan, compensatory math; Miss Mary Helen Campbell, elementary music.

Miss Sue Flores, high school Spanish and migrant; Miss Martha A. Sell, middle school language arts; Miss Pam Raughton, middle school coach and history; Mrs. Adela Orona, teacher-aide who is returning from leave of absence; Raul Reyes, maintenance; and Douglas E. Cook, director of the cooperative vocational program for Jones County.

Eighth grade students will again be housed in the high school building and grades six and seven will be in the former "Reading Center Building," according to Bob Hawes, superintendent.

Supt. Hawes said this week that work on the new middle school is progressing well, but is a few days behind schedule. The air conditioning and heating project in the elementary building is

nearing completion, he added.

The primary building has been re-lighted and peg boards added to each room for display space. "All these improvements will create much better learning environments for our students," he said.

"We invite parents and patrons to visit our schools, and to keep in close contact with their child's teachers concerning their progress. We look forward to having a very good school year in 1976-77," Hawes said.

Busses will run their regular routes on Monday, Aug. 23. School will begin at 8:30 each morning. The lunchrooms will also be in operation on the first day of school. Prices will be the same as last year: pre-kindergarten through grade five, 60 cents; grades six through 12, 70 cents.

The official calendar for the district calls for 180 days of school with 10 days of in-service holidays for teachers and 15 days of holidays. School will open Monday, Aug. 23, and end May 26 with commencement set for May 27.

Holidays include one day for Labor Day, Sept. 6; two days for Thanksgiving, Nov. 25-26; eight days for Christmas, Dec. 22 through Jan. 2; and four days for Easter holidays, Apr. 7 through 12.

Arthritis Program

A representative from the Arthritis Foundation of Fort Worth will present an educational program on arthritis tonight (Thursday) at 7 p.m. at the Lions Club building in Anson.

This program is sponsored by the AARP of Anson.

Anyone in Jones County, regardless of age, is invited to attend the meeting, said Mrs. Joe Sosebee, chairman.

NEWS AND VIEWS...

And What Have You

By BOB CRAIG

Our family attended the annual West Texas Press Association Summer Convention this past weekend. This is always one of the highlights of the year for us as it combines a mini-vacation with a chance to keep up with what's new in the newspaper industry.

This year's convention was billed as being in Fort Worth-Granbury with most of the meeting being held in Fort Worth and Friday evening being spent in Granbury.

And if you have not been to Granbury since they have restored the old Opera House and the town square we would urge you to make down that way sometime.

We traveled by chartered buses from the new, modern Hilton Inn in Fort Worth to Granbury and it was like being in another world when you stepped off the bus into the nineteenth century. All of the buildings on the square have been restored and most of the shops and stores are like something out of the late 1880's.

It was our pleasure to see the production of "Ladies' Night in a Turkish Bath" at the Opera House and it was hilarious. That show had its final performance Sunday and "Annie Get Your Gun" will open tonight (Thursday) and will run until Sept. 6.

The quarter-million dollar Opera House was restored entirely with private money and proudly displays period chandeliers, needle-point seats, and an old fashioned "Olio" curtain with advertising.

The Opera House was built in 1886 and was closed in 1911 and for the next 64 years the beautiful old building wasted away to little more than a roofless shell of four Hood County stone walls.

According to a story in the "Texas Monthly" foundations and individuals from all over the state contributed \$110,000 toward restoring the building as a functioning opera house in 1974. The opera house board then made application to the Texas Historical Commission for matching funds which would allow complete restoration. The commission said no money was then available and not to do a thing for a year or so until it was.

As Jo Ann Miller, director of the Opera Association said, "We looked at each other, and at our \$110,000 and decided to go ahead without the matching funds." All the place needed was a roof, floor, stage, seats, and a few amenities like air conditioning. All that finally cost a quarter of a million dollars. In the first six months after

—Continued on page 4

Riding Club Plans Amateur Rodeo Here

For the first time in a number of years, the Hamlin Riding Club is making plans for an Annual Amateur Rodeo to be held in the local arena Thursday, Friday and Saturday nights, Aug. 19-21.

The performances are set for 8:30 each evening and admission will be \$2.00 for adults and \$1.00 for children under 12.

Books open at 8 a.m. Monday, Aug. 16 and close at noon Thursday, Aug. 19. Anyone interested in entering the rodeo may contact Don Bell at 576-3039 or at 248 S. W. Ave. C.

Stock contractor for the rodeo will be Runt Sloan of Newcastle.

Events planned for the rodeo include: saddle bronc riding, bareback riding, bull riding, calf roping, team roping, senior barrel race

and junior barrel race. All entry fees will be added back.

There will also be a junior breakaway roping for 14 and under, kids flag race for 12 and under, and kids calf scramble for kids 12 and under. No entry fees will be charged for these events and trophies will be awarded to the winners.

The Trustees of the Hamlin Independent School District, in their regular monthly meeting here Monday evening, adopted their official budget for the coming school year that calls for expenditures of over \$1,150,000.

Superintendent Bob Hawes told the board that he expected the district to carry over a surplus from the 1975-76 school year of nearly \$27,000. This, he said, would more than offset the \$21,750 deficit projected in the new budget.

The budget calls for the district to raise \$478,897.00 in taxes for local maintenance and \$164,470.00 for debt service. This is based on 95 percent collection of taxes at the rate of 99 cents for local and 34 cents for bonds.

The district expects to raise \$735,282.00 from local and intermediate sources and \$395,846.00 from state sources for a total of \$1,131,128.00.

Under this scale a family of

Piper Booster

Club to Meet

Tuesday At 7:30

Tuesday, Aug. 17 is the date set for the first meeting of the Pied Piper Booster Club, according to Archie Tomlinson, president.

The meeting will be in the high school cafeteria at 7:30 p.m.

All parents and boosters of the Pied Pipers are urged to attend this organizational meeting.

"Several new coaches have been added to our coaching staff. We would like everyone to come and get acquainted with them," Tomlinson said.

Jones County Residents to Get Over \$7 Million In SS Benefits

(Special to the Herald)
NEW YORK, What will the new increase in Social Security payments, which became effective at the beginning of this month, mean to residents of Jones County who are receiving such benefits?

How much more will they be getting per year? How big will their average check be compared to what it was formerly?

On the basis of the latest figures from the Social Security Administration, which show the number of local beneficiaries and the amounts being paid them, it is estimated that the new schedule of retirement and disability rates will add approximately \$213,000 to their checks during the remaining six months of this year.

On an annual basis they

will be getting \$426,000 more than they did in the past 12 months. Their payments will continue on this scale until July, 1977, when another adjustment may take place.

The current increase is the second one to have taken place under legislation enacted in 1972. The intention was to make the Social Security system inflation-proof. To accomplish this, payments are adjusted to compensate for the rise in living costs, from year to year, as indicated by the Consumer Price Index.

This year's hike comes to 6.4 percent. It adds more than \$5 billion to the checks going to 37 million people.

The first such adjustment, one year ago, raised benefits by 3 percent, at a cost of \$5.7 billion.

Under the new increase the

average retired worker, who received \$2,448 last year, will be getting \$2,616 now. Disabled workers will go from \$2,736 to \$2,904, on average.

Elderly couples, where both are receiving benefits, will be getting \$4,464, or \$288 more than before. Payments to aged widows will rise to \$2,496, which is \$144 more than the previous average.

The net result, for Jones County beneficiaries, is that payments to them will total approximately \$7,078,000 during the next 12 months, as against \$6,652,000 in fiscal 1975.

There will be no increase in payroll taxes to offset the increase in benefits. The tax remains at 5.85 percent each, for employee and employer, based upon the first \$15,300 of earnings.

School Board Adopts Budget for 1976-77

By far the biggest item in the new budget is teachers' salaries which is over \$500,000.00 for the coming year. Another big item in the budget is utilities with \$30,000 budgeted for electricity and \$13,000 for gas.

The budget also includes \$32,500 to be spent on the new middle school and auditorium in excess of the bond monies being spent on the project.

In other action the trustees voted to increase the liability insurance coverage on the ten school buses from nine months to the full 12 months. Cost for the additional three months will be \$170.00.

The board voted to adopt the state's new free and reduced price eligibility income scale for school lunches. This program is required by the state and federal agencies before a school district can receive any federal lunch room monies.

Under this scale a family of

four making less than \$7,130 a year can receive free lunches for their children. The family could have an income as high as \$11,110 and receive reduced price lunches which can not be over 20 cents.

A family of six can make as much as \$9,240 and qualify for the free lunches and as much as \$14,410 for the reduced price lunches.

Screwworms have mounted a siege on the Lone Star State this spring and summer, and the coming months hold little promise for relief.

Virtually all of Texas is now subject to the menacing flesh-eating livestock pest, points out Kirby Clayton, county agent for the Texas Agricultural Extension Service.

Recent cases in Montague county in North Texas and in Stonewall, Baylor, Cottle, Kent and Motley counties in the Rolling Plains mean that screwworms are now within striking distance of all livestock in the state.

Therefore, it's vital that producers check their livestock regularly, spray for flies, treat any wounds, and send any worms found in wounds to the Mission Lab for identification, emphasizes Clayton.

If the worms are identified as larvae of the screwworm fly, then action will immediately be taken to bombard the area where the case was reported with sterile flies reared at the Mission Lab. Sterile flies will breed with wild screwworm flies, rendering any eggs that they may lay as sterile. Thus the eggs will not hatch. Of course, the screwworm fly dies after mating, so the mating process with the

sterile flies breaks the reproductive cycle of the screwworm.

Texas screwworm cases in

Jones County Gets \$162,000 Office of Education Grant

WASHINGTON, D.C.—Congressman Omar Burleson announces the approval of a \$162,250.92 Office of Education grant to Jones County. The allotment of these funds for fiscal year 1977 is under the provisions of Part A of Title I of the Elementary and Secondary Education Act of 1965, P.L. 89-10, as amended.

These funds will provide services for children residing in low-income areas and State-operated or supported institutions for neglected and delinquent children, who have need for special educational assistance in order that their level of educational attainment may be raised to that appropriate for children of their age.

The State Department of Education will distribute the county amounts to the school districts in accordance with Federal Regulations. Each school district is guaranteed no less than 85 percent of its fiscal year 1976 allocation.

Screwworms Continue Siege On Texas Cattle

Screwworms have mounted a siege on the Lone Star State this spring and summer, and the coming months hold little promise for relief.

Virtually all of Texas is now subject to the menacing flesh-eating livestock pest, points out Kirby Clayton, county agent for the Texas Agricultural Extension Service.

Recent cases in Montague county in North Texas and in Stonewall, Baylor, Cottle, Kent and Motley counties in the Rolling Plains mean that screwworms are now within striking distance of all livestock in the state.

Therefore, it's vital that producers check their livestock regularly, spray for flies, treat any wounds, and send any worms found in wounds to the Mission Lab for identification, emphasizes Clayton.

If the worms are identified as larvae of the screwworm fly, then action will immediately be taken to bombard the area where the case was reported with sterile flies reared at the Mission Lab. Sterile flies will breed with wild screwworm flies, rendering any eggs that they may lay as sterile. Thus the eggs will not hatch. Of course, the screwworm fly dies after mating, so the mating process with the

sterile flies breaks the reproductive cycle of the screwworm.

Jones County Gets \$162,000 Office of Education Grant

WASHINGTON, D.C.—Congressman Omar Burleson announces the approval of a \$162,250.92 Office of Education grant to Jones County. The allotment of these funds for fiscal year 1977 is under the provisions of Part A of Title I of the Elementary and Secondary Education Act of 1965, P.L. 89-10, as amended.

These funds will provide services for children residing in low-income areas and State-operated or supported institutions for neglected and delinquent children, who have need for special educational assistance in order that their level of educational attainment may be raised to that appropriate for children of their age.

The State Department of Education will distribute the county amounts to the school districts in accordance with Federal Regulations. Each school district is guaranteed no less than 85 percent of its fiscal year 1976 allocation.

June totaled 2,306 and were double those recorded in June of 1975, points out Clayton. That makes this June the third worst on record since the screwworm eradication program got under way in 1962. Through July 28 a total of 6,398 screwworm cases have been confirmed in Texas this year.

With the recent wet weather in South Texas, a letup in the screwworm siege is not likely. And, traditionally, screwworm cases have been high during the fall months. So, the outlook is not good, surmises Clayton.

However, a new effort that may eventually keep the screwworm out of Texas will be kicked off in late August when the first screwworm eradication program begins in Mexico. That's when the first consignment of flies from the new insectary at Tuxtla Gutierrez is scheduled for delivery to Baja, California.

Riding Club

A meeting of the Hamlin Riding club will be held at the Riding and Roping Arena Tuesday at 8 p.m. All members are asked to be present to make final arrangements for the rodeo to be held August 19-21.

Garden Check List for August

Garden Check list for August - by Kirby Clayton, County Ext. Agent.

- 1. Continue the disease control program if you want attractive roses this fall. Spray every 7 to 10 days with Phaltan, Maneb, or Benlate.
- 2. Make your last pinch on chrysanthemums this month and stake the taller varieties to prevent wind damage. Be sure no outside lights are left burning near the mum bed or they won't set flower buds.
- 3. Make your fall planting of Bermudagrass in August or the first week in September at the latest. Use "hulled" seed only. Have a well prepared seedbed before planting and keep moist until seed germinates. Refer to Mp-1180, Home Lawns for details.

Understanding Your Child

PARENT AS TEACHER
By the time a child is four years old, almost half of his general intelligence has already been formed! And by the time he has reached the age of six, he will already have developed about two-thirds of the intelligence he will have as an adult.

Doesn't this say something to you about a child's early education in the home? Dr. William H. Nault, editorial director of World Book Encyclopedia and Childcraft, points out that a child who gets the right opportunities to grow intellectually will also develop confidence and have a sturdier emotional framework than one without such challenges. He says that the most important tip for parents is to stress vocabulary and verbal comprehension in teaching children and playing with them, since these are the best single predictors of reading and general academic success.

- 4. Place your order for spring flowering bulbs now for best quality and good selection.
- 5. If you expect colorful fruit this fall and winter on holly, pyracantha, cotoneaster, etc., don't forget to water them this month. Hot, dry weather can cause the fruit to drop.
- 6. If you forgot to apply chinch bug controls in July, better do so at once as they operate at peak efficiency in hot, dry weather.
- 7. Continue to control mildew on crapemyrtles if you want fall color. Old seed pods and spent blooms should be pruned to encourage growth of new flower buds.
- 8. Be sure to thin camellia buds to one per cluster for larger flowers.
- 9. Spidermites are still a problem, check plants and if present, use a good miticide such as Diazinon, Kelthane, or Malathion. Follow directions on container and don't use the same material each time. By changing

Jones Family Reunion Held Here Sunday

A family reunion in the home of Mr. and Mrs. A. A. Jones was held Sunday honoring their eldest son, M-Sgt. Alva Allen Jones, his wife Beverly and children Susie and Glenn, all of Dayton, Ohio, who will be making their home in Hamlin after 25 years in the Air Force. Attending were his brothers and their families, Mr. and Mrs. Raymond L. Jones, daughter Brenda and granddaughter Candice, all of El Paso; Mr. and Mrs. Bobby Glenn Jones, Sandra, Elizabeth and James and Mr. and Mrs. Roger Dale Jones, Ricky and Ray all of Hamlin. A sister, Mr. and Mrs. E. H. Walton, Karen and Jerry of Lovington, N. M., were unable to attend.

chemicals there is less chance for the mite population to develop resistance.
10. Prepare beds for September planting of winter annuals as well as daylilies and bearded iris.

Eugene Bakers Honored On Anniversary

Mr. and Mrs. Eugene Baker were honored Saturday evening with a dinner at Wyatt's Cafeteria in Bedford celebrating their twenty-fifth wedding anniversary. Hosting the event were the couple's children, Mr. and Mrs. Steve Baker of Fort Worth, Cheryl and Neal Baker of Hamlin. Guests included his brothers, Mr. and Mrs. Stanley Baker, Cindy and Angie of Euless and Mr. and Mrs. Gary Baker of Rotan; and her sister, Mr. and Mrs. Odis Cleaver, Rickey and Pam of Wichita Falls.

Cheerleaders Host Coaches And Families

The Hamlin High School cheerleaders honored the coaches and their families with a get acquainted wiener roast at Hamlin City Park Thursday evening. Cheerleaders hosting the outing were Cheryl Baker, head cheerleader, Jamie Crowley, Starlet Covington and Julie Willingham. Attending were Mr. and Mrs. Bill Grissom, Monty and Russ, Mr. and Mrs. Larry Bartee and Kim, Mr. and Mrs. Garry Bartee, Chad and Stacy, Mr. and Mrs. Keith Barrick, Tonya and Bret, Mr. and Mrs. Jim Lisle, Andy Lowe and Bettye Davis.

Tasty Tips from Checkerboard Kitchens

Win Compliments With Strawberry Daiquiri Pie

Make Strawberry Daiquiri Pie your summer dessert special. Its cool refreshing flavor and pretty looks make it the perfect ending for a summertime luncheon or barbecue. The creamy filling is a combination of many good things—marshmallows, strawberries and frozen dessert topping, delicately flavored with light rum. A crust of bite-size crispy rice squares complements both its flavor and texture.

- STRAWBERRY DAIQUIRI PIE
- CRUST: 4 cups Rice Chex cereal crushed to 1 cup
1/4 cup sugar
1/3 cup butter or margarine, softened
- FILLING: 2 teaspoons unflavored gelatin
1/3 cup milk
20 large or 2 cups miniature marshmallows
1 3/4 cups chopped fresh strawberries (about 2 1/2 cups whole berries)
1/4 cup sugar
1/3 cup light rum
2 cups thawed frozen whipped topping
Red food color (optional)
- CRUST: Preheat oven to 350°. Butter a 9-inch pie plate. Combine cereal crumbs and 1/4 cup sugar. Mix in butter until evenly distributed. Press evenly onto bottom and sides of pie plate. Bake 7-9 minutes, or just until lightly browned. Cool completely.
- FILLING: Soften gelatin in milk in saucepan. Heat over low heat to dissolve gelatin. Add marshmallows. Heat and stir until marshmallows are melted. Remove from heat. Cool slightly. Combine strawberries and 1/4 cup sugar. Add to gelatin mixture with rum. Chill, stirring occasionally, until mixture mounds when spooned. Beat on high speed of electric mixer until fluffy (1-2 minutes). Beat in topping on low speed. Add red food color if desired. Spoon into cooled pie shell. Chill until set (about 2 hours). Garnish with additional whipped topping and fresh strawberries if desired. Makes 1 (9-inch) pie.

Joe Ford Sr. Honored On 79th Birthday

Joe Ford Sr. was honored with a birthday party Saturday evening in the Lions Club Building in Clyde with all nine of his living children present. Celebrating his 79th birthday, this was the first gathering of his family to mark a birthday observance for him. The children present were Eudell Ford; Lamesa; Nina Leib of Portales, N. M.; Nez Pennington of Dodge City, Kans.; H. L. Ford and Joe E. Ford, both of Hamlin, Bill Ford, Wanda Herrington and Dave Ford, all of Abilene, and Doug Ford of Clyde. Fifty-seven relatives were present.

Family Reunion Held Saturday

The children of the late Mr. and Mrs. W. J. Pritchard held a reunion at the high school cafeteria this past weekend. There were 122 friends and relatives attending.

Those attending with their families were Bertha Evans of Amarillo; Ola Maberry of Mineral Wells; Vivian Pritchard of Plainview; Reese Pritchard of Anton; Wylie Pritchard of Lubbock; Ollie Daniels of Lubbock; Dorothy Bevels of Farmington, N. M.; Naioma Simmons of Dumas; Mrs. Luther Pritchard of Cisco; and Tom Pritchard of Hamlin. The youngest present was Billy Roy Cooper, great-grandson of Tom Pritchard. The oldest present was Bertha Evans. The one traveling the farthest was Glenn Gray of Oxford, Calif.

Jesusa Flores is a candidate for a B. S. degree in business education at commencement exercises at 8 p.m. Friday in Radford Memorial Student Life Center on the McMurry campus.

Nunley-Polk Vows Read Saturday

Elizabeth Norton Nunley and Jack Polk, both of Austin, were married Saturday at 9 a.m. The marriage vows were read by the bride's father, the Rev. Joe Norton, Nazarene evangelist, in the gazebo on Town Lake at Austin. The bride's parents are the Rev. and Mrs. Joe Norton. The bridegroom's parents are the late Mr. and Mrs. J. D. Polk of Wingate. The bride's only attendant was her daughter, Amy Jo Nunley. Ken Steele of Austin was organist. The vocal trio included Mmes. Ken Steele, Dred Simmons and John Uphaus, all of Austin. The brunch after the wedding at Austin Country Club was attended by 50 guests. Out-of-town guests included Mr. and Mrs. Mason Polk of Levelland, brother of the bridegroom; the bride's parents, Mr. and Mrs. B. W. McKissack, Mrs. R. M. Young and Mrs. R. W. Higdon, all of Hamlin. The bride is librarian at Lucy Reed Sixth Grade Center in Austin. The couple will reside in Austin.

Mr. and Mrs. E. L. Jenkins Sr. and Mr. and Mrs. Herman Sharer were in Dallas last week for Mr. Jenkins' eye check-up and to visit Mr. and Mrs. Donald Wright and family in Ft. Worth.

THERE'S SOMETHING ABOUT THAT NAME
In the word of God, we find that there is something special about the name of Jesus. Jesus, in Luke 24:36-47, before his ascension, told the eleven that repentance and remission of sin should be preached in this Name. Acts 4:12 tells us that there is no other name whereby we must be saved. The apostles preached and taught in that name. Acts 5:28. They "baptized" in that name. Acts 2, 4, 8, 10, 19. Col. 3:17 tells us that whatsoever we do in word or deed, do all in the name of Jesus. This includes baptism. Isaiah 43:7 tells us he is coming back for a people who are called by his name. Apostle Paul proclaims that the whole family in Heaven and Earth is called by that name. Eph. 3:15. To be a member of the true Church of God, we must be called by that name, if we are to be in the Bride of Christ. The Bible states that we will not be hated for speaking in tongues or for casting out devils. We will be hated of all men for his namesake. Matthew 10:22. Yes, there is something about that name. "Search the scriptures for in them ye think ye have eternal life, and they are they which testify of me." St. John 5:39. Come Worship with us at the: UNITED PENTECOSTAL CHURCH 219 N.E. Visiting in the home of Mrs. J. C. Bessire last week were Mrs. Ruth Ivy of California, Mrs. Ray Harvick and Mrs. Lorene Harvick, both of Tahoka, Mr. and Mrs. Harold Blakely of Cortez, Colo., Mrs. Mary Bessire of Brownwood and her daughter Laverne of Austin, and Mr. and Mrs. Jones Palmer of Levelland.

TIPS FOR COOKING COOL

All year you buy gifts for friends and family to celebrate a birthday, Christmas, weddings and anniversaries. Use summertime as a special time and give yourself a gift for a change. Treat yourself to something that lets you enjoy warm weather and spend more time outdoors with your family. A toaster oven can make mealtime a breeze, allowing you to prepare everything from quick snacks and hors d'oeuvres to sumptuous dinners—and toaster ovens can help keep your kitchen cool.

Available in many styles, capacities and with various special features, Toast-R-Oven® toasters from GE can be great summertime kitchen helpers. Any one of the four General Electric models can be just right for your needs. The T-26 model can toast up to four slices of bread, bake family size casseroles, top brown foods and—with the broil feature—broil hamburgers, steaks,

and chops. There's a Toast-R-Oven toaster in a smaller capacity that's perfect for the quick-cooking needs of small families, singles or couples. All models are versatile cookers and real energy misers. And if you've been avoiding baking because your range or oven makes your kitchen too hot, your problem is solved. A Toast-R-Oven toaster by GE—because of its smaller size—generates much less heat.

So treat yourself right this summer, untie yourself from a hot oven and turn on your toaster oven.

Glasses or babies' bottles that have held milk should first be rinsed in cold water before washing. Hot water will cause milk to stick to the glass.

MOANS

to help you have better todays and tomorrows

Lending money to help you enjoy life today is just as important to us as helping you save for enjoyable tomorrows. So our consumer loan department can lend you the money for a new car or boat, a color TV set or new furniture for the den, a motorcycle or a mobile home. And naturally, Sweetwater Savings is still your Big Country lender for mortgage loans and home improvement loans. Lending money to help people enjoy life—that's what we're here for!

SWEETWATER SAVINGS ASSOCIATION
ROTAN ROSCOE HAMLIN

FROM THE FILES . .

FIFTY YEARS AGO
(August 13, 1926)

There are no longer any wooden shacks on the west side of Central Avenue, the three principal blocks. This week workmen have made considerable progress towards the construction of a new brick bakery building for B. B. Colwell. This place is just north of the Hamlin Hardware store, known to all old timers as the Border brick. Thus when the building is finished it will be the third from the corner, the Albritton Grocery being the first. Mr. Colwell has made quite a success in the bakery business in Hamlin and when he gets in his new and better quarters it will not only have a better location but will have greater facilities. Right here it is appropriate to say "Hamlin is growing better day by day in every way." At this season of the year all business houses are preparing for the fall and winter business. It is found that newer and larger buildings are needed. More residences are demanded and in a short while school will be calling the kiddies that way and dad and mother will want to come closer.

It is popular to blame the boys and girls of today for their flippancy, their resistance to restrain, and their disregard for parents and teachers. It was popular to do the same thing two thousand years ago.

It is true that young people today are more immoral than formerly, if immoral means not following the customs and conventions generally accepted and observed by society. But I do not believe that a higher percentage of our young people of both sexes are immoral than they were before the war, if by immoral is meant promiscuous sin. If temptations to sin have multiplied ten times in ten years knowledge, the power of resistance, the resources of self-protection and the spirit of chivalry have also multiplied ten times.

Showing at the OPERA HOUSE Saturday: Buck Jones in "The Desert's Price." Bucking Broncos and Bare Fists Combine for Rip-Roaring Drama. A double-barrelled action picture with Natural situations. Buck Jones disdains guns for fists. 8 reels, 15 cents and 30 cents.

TWENTY YEARS AGO
(August 16, 1966)

While far from being anywhere near a normal crop, some patches of maize in the Hamlin territory are turning out surprisingly well, word coming to The Herald indicates. A few fields have harvested field yields.

However, generally the maize crop of the area is practically a "fizzle," declared a spokesman for the F. B. Moore Grain Company elevator in Hamlin.

What grain is coming in so far has graded fair, weighing an average of 54 pounds to the bushel, and is dry.

What grain is being harvested is probably yielding around 200 pounds per acre, which is very poor. It is a wonder, in face of the drought, that any grain is being harvested at all, say grain dealers.

Moore was paying \$2.05 per 100 pounds of maize Wednesday.

Two new concrete tennis courts for the Hamlin Schools will be constructed on Northwest Avenue D, just east of the north-east corner of Junior High School campus.

This announcement was made by Superintendent of Schools C. F. Cook Wednesday morning. Contract was made by the school board Tuesday night on a bid of \$2,280.

Work on the new \$150,000 gymnasium and band hall of Hamlin High School is proceeding ahead of schedule, it was announced this week by School Superintendent C. F. Cook, who declared that the building will be ready for occupancy by November 1, barring complications.

Preparations are being made to provide barbecue for nearly 100 attendants at the barbecue scheduled for gridders, coaches and boosters of the Hamlin Pied Pipers Friday evening, August 24, at the Pied Piper field house, according to officials of the Pied Piper Booster Club, sponsor of the event.

TEN YEARS AGO
(August 11, 1966)

Bob Craig, publisher of the Hamlin Herald, was elected president of the West Texas Press Association at the 36th annual summer convention held in San Angelo, Aug. 4, 5, and 6. Along with his father, Roy Craig, of Stamford who was head of the organization in 1961, they are the third

father-son combination to serve as association presidents.

Preparations for the fall football campaign got underway here Wednesday for the Pied Pipers as the varsity and B teams of boys were issued their shoes. Two-a-day workouts will start Monday, according to Joe Youngblood, athletic director.

Other coaches are Pat Hughes, varsity line coach; Earnie Reusch, freshman coach; Grady Allen, eighth grade coach; and Robert Brandon, seventh grade coach.

Mr. and Mrs. Bill Early attended the Area II Jaycee Convention in Midland Aug. 5, 6, 7.

Early, who is State Director for Region 2D, which includes Abilene, Albany, Merkel, Sweetwater, Rotan, Hamlin, Stamford and Haskell, conducted four clinics on chapter management.

Mrs. Early, Hamlin Jaycee-ette president, gave the invocation during the Jaycee-ette business meeting.

NEWS AND VIEWS . .

And What Have You

—Continued from Page One

opening, the nonprofit association made more than \$100,000 and at last report was completely in the black.

The Historical Commission finally came up this year with \$10,000 to give to the opera house but put so many strings on it that the association turned it down.

The Opera House is open every month except January. During the summer months the resident company of actors receive both graduate and undergraduate credit hours through the Opera House and its affiliation with Tarleton State University. The fall and spring seasons consist of varied forms of entertainment, ranging all the way from country and western music to magic shows, dance concerts, children's theatre and productions of drama and comedy.

During the summer the opera house presents seven shows a week. A matinee performance on Friday, Saturday and Sunday at 2 p.m. and evening performances on Thursday, Friday, and Saturday at 8 p.m. and Sunday at 5:30 p.m.

If you make it to Granbury for the opera you should allow yourself two or three hours either before or after the show to visit around the square.

As part of the convention we were served a buffet supper at the Pecan Plantation, a resort area type housing development, but we understand that the Nutt House on the square is a great place to eat which features home style cooking.

During one of the intermissions we had a chance to visit with Beverly Clifton who had driven over from Hico to see the show.

Incidentally, we were re-elected secretary-treasurer of the West Texas Press Association and will be starting our eighth year to serve as executive director of this association which is billed as the world's largest regional press association.

Sometimes it gets a little hectic for Barbara and me to handle all of the registrations, many of the arrangements, paying the bills and the other work that goes into holding two conventions a year but at the same time it can be most enjoyable.

The TIE
that
binds

A true love for our Lord and Saviour binds our hearts in Christian love.

This love encourages us to put our energies and efforts together

to serve our Lord at home, at work, and at Church.

A truly wonderful fellowship exists for those who believe and
worship together. Attend Church and worship with kindred minds.

"That I may come unto you with joy by the will of God,

and may with you be refreshed."

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Oak Grove Sets Dinner Saturday

Mission No. 2 of Oak Grove Baptist Church will sponsor a dinner in Fellowship Hall Saturday beginning at 5:30 p.m.

Price per plate will be \$2.25, according to Pearl Hunter, president.

Menu will include roast beef with gravy, buttered potatoes, green beans, tossed salad, assorted pies, hot rolls and tea.

The public is invited.

THIRD SUNDAY SINGING
The Third Sunday Singing will be held Sunday at Calvary Baptist Church, 5th at Northwest Ave. G, beginning at 2 p.m.

the gospel truth

by Bro. Marshall Townsley

"This is my commandment, That ye love one another, as I have loved you." John 15:12. "A new commandment I give unto you That ye love one another; as I have loved you, that ye also love one another. By this shall all men know that ye are my disciples, if ye have love one to another." John 13:34,35. Brothers and sisters, it is long past time for us to begin to operate in this kind of love. The love that remains the same day after day regardless of what kind of mood we happen to be in. The love that gives itself to those that to us are not lovely—the sinner, the liars and cheaters and the ones that don't dress "right" and wear their hair the "right" length. It's time for us to begin to love one another enough to tell THE TRUTH and point out error without malice. Love enough to instruct one another in the truth of The Word and then be patient and help bring about the needed change.

The Holy Spirit speaking through Paul in Ephesians 5 says that Jesus is coming back for a church that is glorious, without spot, wrinkle or any such thing. A bride holy and without blemish. The glorious church will shine forth as a light in this crooked and perverse darkened world. It will show forth God's glory. Brothers and sisters—that's us! We are to shine with God's glory, with His magnificent love! We must drop these schisms and divisions and come together around the Word of God. A body without spot, wrinkle or blemish will not adopt the policy—You believe your way and I'll believe mine and when we get to heaven we'll see who's right. John 16:13 says, "Howbeit when he, the Spirit of truth, is come, he will guide you into all truth." and I John 2:27 "But the anointing which ye have received of him abideth in you, and ye need not that any man teach you: but as the same anointing teacheth you of all things, and is truth, and is no lie, and even as it hath taught you, ye shall abide in him." It is the job of the Holy

Rotary District Governor Sets Visit Here

Claude Hicks, Governor of the 579th District of Rotary International, will make his official visit to the Hamlin Rotary Club next week. He will meet with Charles Westbrook, club president and Joe Simpson, secretary-treasurer Tuesday afternoon and then meet with the Assembly directors and committee chairmen at 7 p.m. at the Hamlin Branch building, Sweetwater Savings Association, during which time he will hear reports and plans for the year.

Wednesday, Aug. 18, he will meet with the Hamlin Rotary Club at their noon luncheon. All Rotarians are urged to be present.

Hicks was born in Hockley County, Texas in 1932, attended Brownfield High School, Decatur Baptist College and received B.S. and M.Ed. degrees from Hardin-Simmons in 1955 and 1964 respectively. He has been administrator, Hendrick Home for Children in Abilene since 1966. He is on the Board of Directors of several area organizations, including Trustee of Hardin-Simmons University, Abilene Chamber of Commerce, West Texas Fair Association, YMCA and several others.

Community Action Program Gets Federal Grant

WASHINGTON, D. C. — Congressman Omar Bureleson announces the approval of a \$10,000 Community Services Administration grant to the Community Action Program, Inc., with headquarters at Abilene, serving Taylor, Jones, Haskell, Stonewall,

Spirit to teach the truth (God's Word or Will) to the believers. He is not teaching one person (or group) one thing and another person something contrary.

The problem has been that through ignorance or rebellion or for other reasons, the large majority of believers has refused to follow the leadership of the Holy Ghost. We have stopped the power of God from working in our lives. But let's forget those things which are behind, repent and press toward the mark for the prize of the high calling of God in Christ Jesus. Walk in truth, forgiving those who have harmed us in any way and then forgetting about it. Refuse to hold a grudge or bear resentment against anyone. "For if ye forgive men their trespasses, your heavenly Father will also forgive your trespasses." Matthew 6:14,15.

Brothers and sisters we must come together and unite to worship God in spirit and in truth. Jesus himself taught us, "Every kingdom divided against itself is brought to desolation; and every city or house divided against itself shall not stand." Matthew 12:25

August 19-22 in the Jaycee Center we, the people of Hamlin and Aspermont and surrounding areas can come together for just this purpose. The Lord has been speaking to some of you recently about this very thing. Begin now to pray daily about these meetings. Intercede for the people who will be there that God our Father will meet every need spirit, soul and body according to his riches in glory. These meetings are not designed to build up any organization nor to add numbers to any group but rather to strengthen and unify the body of Christ. To God be all the glory! We'll look for you there.

Shackelford, Kent, Knox and Throckmorton Counties.

The grant will run for a three-month period, beginning August 1, 1976, to provide a weatherization program to repair homes of the elderly, the poor and near poor of the eight-county area served.

BOY SCOUT NEWS

Tim Hawkins, son of Mr. and Mrs. W. A. Hawkins, and Jim Austin, son of Mrs. Joyce Austin, returned from Philmont National Scout Ranch, located near Cimarron, N.M. Their visit there consisted of a sixty-seven mile backpacking trip. Britt Cary, son of Mr. and Mrs. James Josey, and Steve Campbell, son of Mr. and

Mrs. George Campbell, were inducted into the Order of the Arrow of the Boy Scouts. They completed their ordeal by working at Camp Tonkawa after summer camp was completed this year.

Russell Cary, also a son of Mr. and Mrs. James Josey, will compete in this year's Order of the Arrow conclave in competition for OA dance teams. Russell was inducted into OA last year. His brother Britt, will also attend this year's competition.

All Scouts are reminded to attend all meetings which will be held on Tuesday nights at 7.

Mr. and Mrs. Bill Thompson and Mr. and Mrs. Jack White attended the Aug. 8 reunion of the descendants of the late John and Mary White at Lakewood Recreation Center near Pioneer.

Australian Visits Here

Jennie Cornish, Perth, Western Australia, arrived here Tuesday, Aug. 3, for a week's visit in the homes of Mr. and Mrs. Tommy Robertson and Mr. and Mrs. Melvin Scott. She left Tuesday on her way to Florida to visit friends.

Her mother, Mrs. Ron Cornish, and Mrs. Scott exchange letters through Rotary International. Miss Cornish arrived in Vancouver, B. C., last May and is touring the United States. She was in Montreal during the Olympics.

She is employed as secretary-bookkeeper for a cattle station.

HAD VISITORS? That's news, call the HERALD.

Mr. and Mrs. Tony Kelly are parents of a 7 lb. 1 oz. daughter, Angela Kaye, born in Stamford Memorial Hospital Sunday at 4:36 p.m. Maternal grandparents are Mr. and Mrs. L. M. Braley of Quitman, formerly of Hamlin. Paternal grandparents are Mr. and Mrs. Richard Bates.

REUNION

The families of Sammie Williams, Louberta Maxwell and Beatrice Curry met in the home of the Sammie Williams Saturday for a reunion.

Relatives were from Houston, College Station, Plainview, Albuquerque, N. M. Fifty-one attended.

Visiting in the home of Mr. and Mrs. Norman Carlton this past weekend were Mr. and Mrs. Rusty Carlton and

daughter, Christy, of New Mexico; Mrs. Tommy Greenway, Toreya Sommers and Keith Greenway, all of Andrews.

Mr. and Mrs. Bob Ferguson

are new residents in Hamlin, having moved here from Breckenridge this week. Bob and wife Shirley, reside at 650 N. W. Ave. F where they are opening a household appliance repair shop.

Card of Thanks

CARD OF THANKS
We are truly grateful to the good friends who did so much for us during our recent sorrow. May we take this means of saying thank you for the many comforting expressions of your friendship and affection. Thank you especially for the food, flowers, and to Bro. Jones, Mrs. Stewart and Gayla, and Carol Joe Werner for the service and to the ladies of Holiday Lodge for their kindness and concern.
The family of Mrs. Claude Hastings

NOTICE TO ALL PERSONS HAVING CLAIMS AGAINST THE ESTATE OF RUTH DELENE JOHNSTON PARKER, DECEASED.
Notice is hereby given that original letters testamentary upon the Estate of Ruth Delene Johnston Parker, deceased, were issued to Herbie Faye Johnston West and Jeannine Johnston Moore on the 19th day of July, 1976, in the proceeding indicated below the signature hereto, which is still pending, and that we now hold such letters. All persons having claims against said estate, which is being administered in the County below named, are hereby required to present the same to either of us, respectively, at the address below given, before suit upon same are barred by the general statutes of limitation, before such estate is closed, and within the time prescribed by law. The residence and post office address of Herbie Faye

CUB SCOUT NEWS

Eight Hamlin cub scouts attended Cub Day Camp at Camp Tonkawa July 27-30. The boys were Barron McMillan, Tony Wright, Donnie Ofenstein, Dave Byerly, Jeff Lawlis, Brit Schuette and Wood and Rod Smith. Mrs. Dan Schuette accompanied the boys and served as a camp counselor. Dana Schuette served on the camp kitchen staff.

One hundred cub scouts from the Chisolm Trail council attended the camp. The boys were divided into three Indian nations and participated in swimming, archery, riflery, nature study and scout crafts during the week.

The four day camp was climaxed Friday night with a family picnic, council fire and awards ceremony. The boys entertained their parents during the ceremony with Indian dances.

Several boys in the group were given special recognition during the awards ceremony. Donnie Ofenstein was judged the best swimmer for the camp and was also presented an award for having the most original dive. Jeff Lawlis was selected by his nation leaders to receive the Spirit of Scouting award for his group, and Dave Byerly won third place in the spoon race in his swimming division.

BRIDGE WINNERS

First place winners in Tuesday evening competition of Hamlin Duplicate Bridge club were Mrs. Barry Moore and Bobby Graham of Abilene.

Winning second place were Mrs. Jewel Hailey and Mrs. Jean Brown, both of Abilene. Third place went to Mrs. Mabel Lillius and Mrs. Jewel Butler, both of Abilene.

Visiting in the home of her parents, Mr. and Mrs. C. L. Garrett, were Mr. and Mrs. Robert Bell, Mike and Tonya of Greenville, S. C.

Philosopher Warns Against Watered Milk

At Start of the Fall Election Campaigns

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One prepares himself for the fall elections.

Dear editor:

With the fall elections not too far off, when the country will be electing people right and left from local to national offices, with millions and millions of campaign words

to be heard, the best advice for a voter to remember is that there are truths, half-truths, and political statements.

A political statement, as I understand it, is an art form. You don't lie, but you don't tell the truth either. If asked about busing, you come out in favor of quality education. Since most politicians seem to be sharper than most TV reporters, they can get by with this for a full half-hour's interview. If some uppity reporter won't turn loose and keeps asking a tough question, you take so long in answering, going all the way back to the Peloponnesian War in 400 B.C., that everybody forgets what the question was.

But the best and shortest answer to a tough question I know about was given by a 12-year-old boy a generation ago. He and his older brother had the job of milking the family's two cows every day, and they got into a contest to see who could milk the most. Consistently, the younger one started winning. His bucket was always brimful, the other's only two-thirds. But there was something peculiar about it.

"That milk tastes watery," the family complained. "Son," the father asked, "Are you putting water in that milk?"

"No sir," the boy said. "I am not."

This is a classical political statement. You could go before a grand jury and say it. You could defy a Congressional investigating committee with it. You could look the TV camera in the eye and say it.

The boy was not indeed putting water in the milk. What he was doing, he admitted later on with a grin, was putting milk in the water. Started out with a quart of water in the bottom of his bucket.

It's a system that works. You a candidate opposed to increased taxes? When elected keep the tax rate the same like you promised but raise property valuations.

There's nothing handier than starting out with water in the bottom of the milk bucket. But perhaps it ought to be discontinued when you're grown, and is, by dairymen, but very few politicians are dairymen.

Yours faithfully,
J.A.

Funeral Services Held Monday for Ethel Hastings, 77

Ethel Jobe Hastings, 77, died at 10:45 a.m. Sunday, at Holiday Lodge Nursing Home. Services were held Monday at 4 p.m. at First Baptist Church with the Rev. Howard Jones, pastor, officiating. Burial was in Hamlin East Cemetery, conducted by McCoy Funeral Home.

She was born Ethel Elizabeth Jobe Dec. 7, 1899, in Emory, the daughter of the late Mr. and Mrs. Lee Jobe. She married Claude Hastings April 17, 1918, in Emory. He preceded her in death April 19, 1975.

She was a resident of Hamlin 52 years, residing at 451 S. W. 3rd St.

She was a Baptist.

Survivors include two sons, Ester, and Lee, both of Hamlin; four brothers, A. W., D. R. and Milford, all of Lubbock, and Earl Jobe of Fort Worth; three sisters, Mrs. Rosie Ford of Breckenridge, Mrs. Dollie Cook of Dallas and Mrs. Erma Jackson of Amarillo; eight grandchildren and nine great-grandchildren.

A son, Alford, preceded her in death in 1968.

Pallbearers were Roy Brown, J. O. Murphree, Bill Schmidt, J. D. Miller, Bill Moore and Ed Gardner.

Joey Duncan Gets Masters Degree From Texas Tech

Joey Duncan, son of Mr. and Mrs. Edgar Duncan, received a Master of Education degree in administrative certification from Texas Tech University.

Duncan, now in his fourth year as sixth grade teacher at Parkway Elementary in Lubbock, will be certified to serve as an elementary school principal.

Duncan and his wife reside at 2710 28th in Lubbock.

Pictures used in the Hamlin Herald may be picked up by the owner within two weeks after publication.

Field Day for Grain Sorghum Variety Test Plots

A field day to observe grain sorghum variety test plots will be held Tuesday, according to an announcement this week by County Agent Kirby Clayton. The tour group will observe different variety test plots over the county and also a test plot on greenbug resistant grain sorghum.

Cotton variety test plots will be observed in October after maturity.

Those interested in observing the test plots should meet at the County Extension office in the Courthouse at 8 a.m. Tuesday.

How high will gas bills go, and when will they level off?

There is no sure answer. It depends, to a large extent, on what Lone Star has to pay its natural gas suppliers.

Just a few years ago, Lone Star paid only about 19¢ for a thousand cubic feet of gas.

Today, we have to pay almost \$2 for a thousand cubic feet of new gas.

But you are still being charged at a much lower rate than that. You see, we are still buying old gas at lower rates under old contracts. So the average cost for gas, the cost that primarily determines your bill, is still just a little over \$1 per thousand cubic feet.*

As our older contracts expire, and new, higher-priced gas is purchased, the average price will continue to rise (even if we don't buy any new gas). We can foresee an average price of around \$2 per thousand cubic feet in a few years.

That's quite a big increase. We know because we're almost paying that price right now for new gas. But it should rise much more gradually in the next year or two than it has during the past year.

*Monthly reports on gas purchases filed with the Texas Railroad Commission are public record.
